

Parents and Guardians,

Welcome back to another **marvelous** school year! We are already loving our classes and cannot wait to spend more time with them throughout the school year. All day long we have been really focusing on the fact that we are family for the next 180 days, with that being said, we are having a meet the teacher night of our own. Please join us on Wednesday, August 9th in Room 304 at 5:45p.m. During this meeting, both homeroom teachers will review our classroom procedures, expectations, and review any information we feel you need to know. This will also be a great time for any questions you might have for us.

Looking forward to seeing you all,
Mrs. Bernardini and Mrs. Henderson
